

K-LOVE radio is invaluable to my family. This programming is family friendly all of the time! When traffic is nerve wracking, this channel keeps up calm and focused! The constant message of God, love and family is essential to the well-being of our community and this country. This channel also provides one of the few avenues for churches with ministry based programs to reach the unchurched in our communities. People with a solid base in the Lord are better citizens, providing a more sound tax base and support of the community. K-LOVE provides a valuable service in helping Christians and the unchurched remain loyal to God, Country, and Family. Any group offering this kind of positive message must be labeled as "in the public interest"!
